Anti-Inflammatory Program

Christi Dorsey

<http://www.tastesymmetry.com>

Welcome to your meal plan! Here you will find the customized plan I have created for you, along with an itemized grocery list and delicious recipes.

Grocery List Tips

This plan includes a full grocery list that outlines the ingredients you will need to follow this meal plan. You can find it by clicking the "List" tab from your planner. Before you head out to do your shopping, take some time to go through the list and check off any items you already have. This will save you time and money!

Shopping Tips

The grocery list is organized into categories based on how a typical grocery store is laid out. This will allow you to do your grocery shopping in an organized order starting with fruits, then vegetables, etc. Doing your shopping this way will save you time.

Recipe Tips

Every recipe states the total number of servings and the total prep time so that you know how many servings the recipe creates, and how long it will take you to make it. Before you start cooking, assemble all ingredients and prep them according to the ingredients list. Unless otherwise indicated, you will be eating one serving of each meal. So if a recipe serves four, prepare it, divide it into four even portions and enjoy one portion.

Leftovers

If meals on the plan appear to be grey or shaded out, this means that the meal has been marked as a leftover. You've already prepared it, so you do not need to make it again. Cook once, eat multiple times. Leftovers are a great way to save you money and time in the kitchen!

This program was created with four key nutrients in mind:

Polyphenols

Polyphenols may help to control oxidative stress and the inflammatory response. This plan includes polyphenols found in dark chocolate, berries, apples, grapes, and oats. The polyphenol curcumin in turmeric is incorporated in the meal plan due to its role as an anti-inflammatory agent. Curcumin is effective in treating chronic conditions like rheumatoid arthritis, inflammatory bowel disease, Alzheimer's and is used as an adjuvant in cancer therapy.

Fiber

Fiber lowers C-reactive protein (CRP), a substance in the blood that indicates inflammation. It modulates the gut microbiome to create a healthy intestinal environment, which helps to prevent inflammation. This plan provides up to 40 grams of fiber daily from fruits, vegetables, legumes, and whole grains. Soluble fiber in oats, sweet potato, Brussels sprouts, and oranges generates short-chain fatty acids which have anti-inflammatory effects.

Antioxidants

Essential fat-soluble antioxidants like vitamin A and vitamin E support various cellular functions of our immune system, reduce oxidative stress in cells, and are useful in the treatment of inflammatory diseases. This meal plan is packed with vitamin A sources like sweet potato, carrots, and salmon, and incorporates vitamin E through a daily dose of healthy oils, nuts, and seeds. These foods are paired with healthy fats to increase absorption.

Omega-3 Fats

Omega-3 fatty acids decrease the production of inflammatory mediators, having a positive effect on obesity and diabetes. Omega-3 metabolites act as strong anti-inflammatory agents that may treat psychiatric, neurodegenerative, and neurological disorders. This program incorporates omega-3 fats from salmon, nuts, and seeds.

Low FODMAP: Use zucchini instead of cauliflower.

Slow Cooker Rotisserie Chicken

4 servings

4 hours

Ingredients

- 4 lbs Whole Roasting Chicken
- 1 tbsp Sea Salt
- 2 tsps Paprika
- 1 tsp Onion Powder
- 1 tsp Dried Thyme
- 1 tsp Italian Seasoning
- 1/2 tsp Cayenne Pepper
- 1 tsp Black Pepper
- 2 Sweet Potato (diced into 1 inch cubes)
- 4 cups Brussels Sprouts (halved and trimmed)
- 1 tbsp Extra Virgin Olive Oil

Directions

- 1 Rinse chicken and pat dry with paper towels. Remove innards of chicken if not already done. Crumple up sheets of tinfoil to create 6 to 8 round balls (about the size of a golf ball). Place in the bottom of the slow cooker. This helps to prevent the chicken from sticking to the bottom, cook more evenly and keep it moist.
- 2 Rub the inside of your slow cooker with a bit of olive or coconut oil to make it non-stick.
- 3 In a bowl, combine the sea salt, paprika, onion powder, thyme, italian seasoning, cayenne pepper and black pepper. Rub this spice mix evenly all over the chicken (inside and out).
- 4 Place chicken (breast side up) in the slow cooker on top of the foil balls. Cook 4 to 5 hours on high or 8 to 9 hours on low (aim for 1.5 hours per pound). Check that it is cooked through by using a knife to make a slit to the bone. The chicken should be cooked at the bone and no longer pink.
- 5 One hour before you are ready to eat, preheat your oven to 415°F (215°C). Add chopped sweet potato and brussels sprouts to a large mixing bowl. Add olive oil and season with sea salt and pepper. Toss well. Line a baking sheet with parchment paper and spread the vegetables across evenly. Roast in the oven for 30 minutes.
- 6 Remove vegetables from the oven and increase heat to 450°F (235°C). Line a pan with foil. Ensure chicken is cooked through then transfer it to the foil-lined pan. Place chicken in the oven for 10 minutes to make it crispy.
- 7 Remove from oven and carve the chicken. Plate chicken with roasted sweet potato and brussels sprouts. Enjoy!

Notes

Save the Carcass: Make our Immunity Boosting Bone Broth.

AIP-Friendly: Omit the black pepper and cayenne.

 2 tbsps Extra Virgin Olive Oil
 Sea Salt & Black Pepper (to taste)
 1/4 cup Maple Syrup

 1/2 tsp Onion Powder
 1 tsp Paprika
 1 tsp Sea Salt
 1/2 tsp Black Pepper
 1 1/4 lbs Salmon Fillet
 2 Lemon (sliced into rounds)

Directions

- 1 Ensure your cedar plank has been soaked for at least 4 hours and review the safety notes below.
- 2 Toss asparagus in olive oil, salt and pepper to taste and set aside.
- 3 In a bowl, mix together maple syrup, garlic powder, onion powder, paprika, salt and pepper. Place salmon fillets in the bowl and coat evenly with the marinade.
- 4 Preheat grill on high heat. Grill asparagus for 2 to 3 minutes until tender. Set aside.
- 5 Reduce to medium heat and place soaked plank on grill for about 3 minutes or until it begins to crackle and smoke.
- 6 Flip the plank over and place salmon fillets on top, then layer the lemon slices on top of the salmon. Place the ends of the lemon on the plank as well, cut side down. Reduce heat to low, close lid and cook until salmon flakes easily, about 15 to 20 minutes. Baste with leftover marinade at halfway mark.
- 7 Divide asparagus onto plates. Squeeze lemon over salmon, serve and enjoy!

Notes

Safety First: Never leave your barbecue unattended. Do not let your barbecue go above 350°F (177°C) as the plank may catch fire. Have a spray bottle of water on hand in case of flare-ups.

No Asparagus: Replace with Pineapple Salsa (from Fish Tacos recipe) or any other grilled veggies.

Likes it Spicy: Add chili powder or red pepper flakes to the marinade.

No BBQ: Soak plank at least 4 hrs and brush with oil. Preheat oven to 350°F (177°C) and

bake salmon on the plank until it flakes easily, about 15 to 20 minutes.

Prep Ahead: Soak the plank ahead of time and store in the freezer until ready to use.

More Carbs: Serve with quinoa, potatoes or brown rice.

Keep it Simple: Omit the marinade and season the salmon with olive oil, salt and pepper.

- 2 Sweet Potato (sliced into 1 inch sticks)
- 1/4 cup Extra Virgin Olive Oil (divided)
- 1/4 cup Maple Syrup (divided)
- 2 tsps Cinnamon
- Sea Salt & Black Pepper (to taste)

- 1 cup Pecans
- 8 cups Baby Spinach
- 2 Avocado (sliced)

- 2 Line a baking sheet with parchment paper. Toss sweet potato and beet sticks with half the olive oil, half the maple syrup, cinnamon, sea salt, and pepper. Bake for 40 to 45 minutes until slightly browned.
- 3 In the mean time, make the dressing by combining the remaining olive oil with the lemon juice. Set aside.
- 4 Put pecans in a frying pan over medium heat and stir until toasted. Add remaining maple syrup. Stir until pecans are well coated. Continue to stir until pecans become very sticky. Remove from heat and spread across a piece of wax paper. Break apart into pieces when dry.
- 5 When sweet potato and beets are finished, toss spinach in lemon & oil dressing and put a handful on each plate. Top with roasted beets and sweet potatoes. Garnish with avocado and maple pecans.

Roasted Brussels Sprouts Caesar Salad

4 servings

1 hour

Ingredients

1 lb Extra Lean Ground Chicken (cooked)
 5 cups Brussels Sprouts (halved)
 1/2 cup Radishes (sliced)
 1/2 cup Pumpkin Seeds
 1/3 cup Extra Virgin Olive Oil
 1 Garlic (whole head)
 1/2 Lemon (juiced)
 2 tbsps Dijon Mustard
 Sea Salt & Black Pepper

Directions

- 1 Preheat oven to 400°F (204°C). In a large bowl, toss brussels sprouts with a splash of your olive oil and season with sea salt and pepper. Toss well and place on baking sheet lined with parchment paper or foil.
- 2 Slice the top off of the head of garlic and peel away the skin so the cloves are showing. Drizzle with olive oil and wrap in foil. Place on the baking sheet with the brussels sprouts. Place in oven and bake for 30 minutes. At the 30 minute mark, remove the brussel sprouts and let the garlic cook for another 15 minutes.
- 3 Remove garlic from oven and let cool. When cool enough to handle, pinch the cloves out one-by-one into a food processor/blender. Add the remaining olive oil, lemon juice, mustard and season with a bit of salt and pepper. Blend until creamy.
- 4 Place the brussels sprouts, radish and ground chicken into the large mixing bowl and add desired amount of garlic dressing. Toss well. Place in bowl and garnish with seeds, sea salt and pepper. Enjoy!

Notes

Leftovers: Store in the fridge in an airtight container up to three days.

Save Time: Cook the ground chicken and make the roasted garlic dressing in advance.

No Extra Lean Ground Chicken: Use any other type of ground meat instead.

Vegan & Vegetarian: Use cooked lentils instead of ground meat.
